A Judge's Letter to Teen-agers

Too often I hear the grumbling cry of teen-agers, "What can we do? Where can we go?" My answer is, "Go home!"

Hang the screen windows. Paint the woodwork. Rake the leaves. Mow the lawn. Sweep the walk. Wash the car. Learn to cook. Scrub the floors. Repair the sink. Build a boat.

Help your minister. Ask for a Sunday school class. Visit the sick, assist the poor. Study your lessons. And when you are through, read a book.

Your parents do not owe you entertainment. Your city or village does not owe you recreational facilities. The world does not owe you a living. But you owe the world something. You owe it your time and energy and your talents to improve the life of the poor, sick, and lonely.

In plain, simple words, grow up! Quit being a cry baby. Get out of your dream world, and develop a backbone, and start acting like a man (or woman).

You are supposed to be mature enough to accept some of the responsibility your parents have carried for you for years. They have nursed, protected, excused and tolerated you, and have denied themselves needed comforts so that you might have every benefit. They have done this gladly, for you are their dearest treasure.

But now you have no right to expect them to bow to every whim and fancy of yours just because selfish ego instead of common sense dominates your personality, thinking, and requests. Grow up and go home!

Our Front Page

A combination of the Easter Season and local talent provided a colorful theme for our Easter Cover page. Little Maureen Hudson of 15016 - 102 St. is surrounded by all that comprises a little girl's dream of Easter — a new bonnet, an arm full of flowers and a basket of colored eggs. Photography by Wilf Spellmeier, flowers courtesy Gladys' Flowers and colored eggs courtesy of the talent and patience of WO2 J. Popp. (Further details regarding this pains-taking hobby appears elsewhere in this issue.)

BRINGING UP FATHER

When I was a boy of 14, my father was so ignorant I could hardly stand to have the old man around. But when I got to be 21, I was astonished at how much the old man had learned in seven years.

COUNCIL BRIEFS

The February meeting of the Griesbach Council required three hours to complete the Agenda. Four of the six Councillors were present. Major Hennie explained to the Councillors who were present the difficulty that has been experienced in filling Council vacancies. Capt. W. A. Pearcy volunteered as Councillor for Ward 2.

The Ways and Means Committee reported a very successful Ladies Bingo in February — 177 ladies were in attendance. A profit of \$95.00 was realized bringing the season's returns to \$207.00.

Chairman advised Council that some residents were concerned as to why Council provided money for the Christmas Home Decoration Contest. Council agreed that residents should be informed that prize money was provided by the Griesbach Garrison Regimental Fund.

Chairman reported that efforts to form a boys' basketball team proved unsuccessful. However, a girls' team was formed which played in the NCAHSAA League. Council voted \$275.00 to cover expenses of the team.

As advertising revenue in the Bugle does not cover publication costs, Council voted \$400.00 towards Bugle expenses for 1962. Council also approved the write-off of \$179.11 in accounts receivable.

Council voted to hold the Community Fair again this year. The date will be determined later.

Council approved in principle the construction of another rink in Camp for skating only. The rink to be located north of 146 Ave. and to be built during the summer months. Recreation Chairman will investigate this further and report back to Council for further action.

Council approved a grant of \$150.00 to provide plaques, crests and a wind-up ceremony for the Boys' Hockey League.

Council approved a grant of \$85.00 to the Girl Guides to help defray the expense of sending leaders to a training conference in Calgary.

Sgt. Mandziuk reported on the activities of the Archery Club and informed Council they have now formed a Junior Section. He requested financial assistance to purchase equipment suitable for Juniors. Council approved a grant of \$150.00 to the Archery Club on the understanding that non-expended items of equipment purchased would remain the property of the Association.

Adjutant-General Visits Command

The Adjutant-General for the Canadian Army paid a visit to Western Command in March to inspect the Special Militia Training Program. While in Edmonton he visited the Prince of Wales Armoury, the 109 St. Armoury and the Civil Defence School. Looking over a model at the POW Armoury are from left: Brig. J. S. Ross, Alberta Area Commander; Maj.-Gen. W. A. B. Anderson, adjutant-general; Maj.-Gen. J. M. Rockingham, General Officer Commanding Western Command; Col. J. M. Delamere, Director of Militia and Cadets from Army Headquarters; and Brig. R. A. Bradburn, Commander No. 23 Militia Group.

Appointed AAG

EDMONTON. — The appointment of a new Assistant Adjutant General for Western Command was announced at Griesbach Barracks recently. He is Lt. Col. D. A. Harper, MBE, CD, of Trenton, N.S. (9710 - 150 Ave., Edmonton), a member of the Royal Canadian Army Service Corps. The appointment takes effect March 1.

Lt. Col. Harper has been command supply and transport officer since July 1960.

He has been serving in the Canadian Army since 1933. He served overseas in the second World War in various appointments in the RCASC from 1941 to 1945. He served in Korea from September 1952 to October 1953. He was mentioned in despatches in both the Northwest Europe campaign and in Korea.

He later served in England during 1954 and 1955 as an exchange officer, and at Army Headquarters, Ottawa, from 1956 to 1960.

His replacement as command supplies and transport officer has not yet been announced.

User Trials Fort Churchill

A pleasant winter camping trip in Ft. Churchill was the lot of Capt. J. Stutt, one of 25 offrs. and men of the 2 PPCLI during the months of Jan. and Feb. The purpose of the sojourn was to test the adaption of the new Canadian Army Combat clothing to arctic warfare conditions. Trial weather conditions could be expressed as being excellent. The average daily mean temperature for the 29 days spent on the tundra was -22.8 and the greatest wind-chill factor recorded was -25.7. However all are back in one piece looking hale and hearty and are trying to convince people that they enjoyed it.

Announce Fire Protection Awards

OTTAWA. — Presentations of awards for outstanding efforts in fire protection, in international competition, was made at National Defence Headquarters, Ottawa, by the Honourable Pierre Sevigny, associate minister of national defence.

The National Fire Protection Association's international competitions and awards is to provide recognition for excellence in the field of fire safety, education and performance.

Endorsed by the Joint Fire Marshals of the Department of National Defence, it aims to stimulate universal fire safety and to encourage wider use of modern techniques in public and private

fire prevention education. The contest is in its 35th year.

Receiving the grand Award in the military division of Canada for the best entry within the Department of National Defence, was the Commanding Officer W/C E. W. Smith and Fire Chief Sgt. J. J. M. G. Bellefleur of RCAF Station St. Sylvestre, Que. First Place Shields for the small, medium and large fire station classes were accepted by the Chief of the Air Staff, A/M Hugh Campbell, on behalf of RCAF Stations Charlottetown, N.B., and Uplands, Ont.

First Place Shields for Naval Air Station, Patricia Bay, B.C., Belmont Park Married Quarters, Colwood, B.C., and HMC Dockyard, Esquimalt, B.C. were received

by R ADM J. B. Caldwell for the Royal Canadian Navy.

Lt.-Gen. Geoffrey Walsh, Chief of the General Staff, was presented First Place Shields for the Army's Vancouver Wireless Station, Ladner, B.C.; No. 26 Central Ordnance Depot, Colbourg and Camp Borden, Ont.

A certificate of Merit went to Dr. A. H. Zimmerman, Chairman, of the Defence Research Board on behalf of Suffield Experimental Station at Ralston, Alta.

Certificates of Merit were awarded to fire stations placing second and third in the First Place Shield competition. A total of eight Certificates of Merit were won by the RCN, 14 by the Army and 12 by the RCAF.

New Padre

EDMONTON. — Appointment of a new Protestant chaplain for the 2nd Battalion Princess Patricia's Canadian Light Infantry at Hamilton Gault Barracks was announced by Western Command headquarters.

He is Capt. S. H. Clarke, of Pembroke, Ont., a graduate of Bishop's University, Lennoxville, Que., and a member of the Anglican Church of Canada.

Captain Clarke joined the Regular Army in Ottawa in August 1960. Prior to that time he was the rector at St. John the Evangelist church at Smith's Falls, Ont. Before his current posting he was with the Royal Canadian Army Service Corps school at Camp Borden, Ont.

Chaplain Clarke last week earned his parachutist's wings at the Canadian Joint Air Training Center, Rivers, Man. He resides in Edmonton at 10120 - 140 Ave.

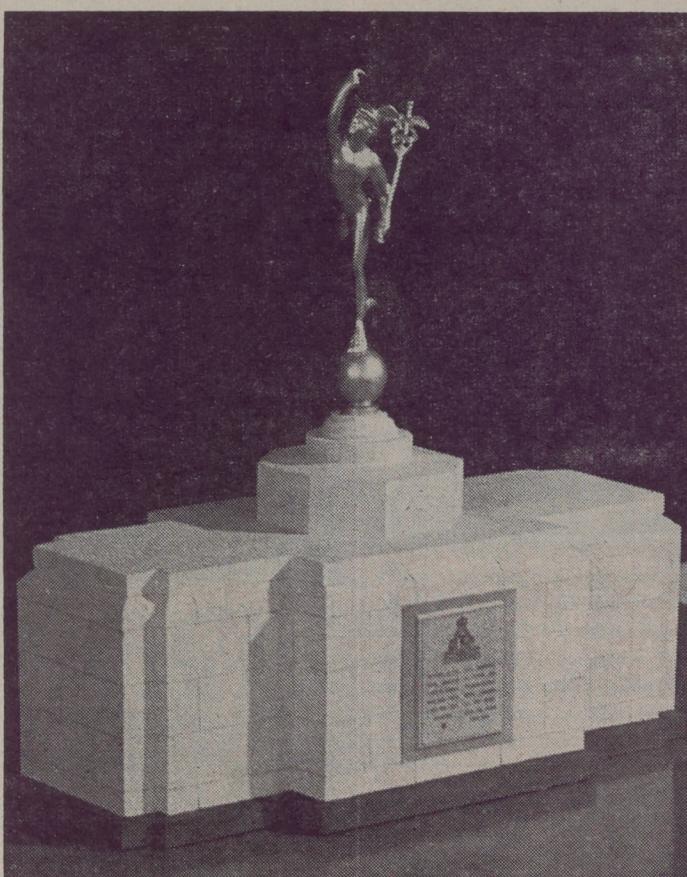

THE WAR MEMORIAL PROJECT OF THE ROYAL CANADIAN CORPS OF SIGNALS

The memory of those in the Royal Canadian Corps of Signals who have given their lives for their country is to be permanently honoured by the erection of a War Memorial at Vimy Barracks, Kingston. It will take the form of a monument at the entrance to the barracks which has been the home of the Corps for nearly twenty-five years.

The future development plan for Vimy Barracks calls for a divided entrance roadway from No. 2 Highway, with a series of grassed islands in the centre. The Corps Memorial will consist of a life-sized bronze statue of Mercury rising above a large stone pylon situated on the northernmost of these islands, facing the highway. It will be flanked on either side by low, curved stone walls, the whole being set off by selected trees, bushes, flowers and appropriate lighting. Bronze letters in English and French on the stone walls will indicate "VIMY BARRACKS" (CASERNES VIMY).

This purely memorial aspect of the reconstructed entrance to Vimy, known as "Part C" of the overall entrance project, would of course be the Corps' own responsibility. "Part A" is the purely engineering aspect, and is the responsibility of the Department of National Defence.

This part has been approved and work can proceed on it as soon as we raise the money for the memorial. It includes a continuation of the divided roadway for some distance inside the barracks, with appropriate lighting and utilities. On the second island formed by this extension would be located a small gate house constructed of the same type of stone as the memorial. The main flag mast would be located to the rear of the gate house. This portion of the development would be landscaped and lighted in keeping with the memorial. Parts A and C are complementary and must, therefore, be carried out together. At a future

date, the Department of National Defence plans to continue the divided roadway into the centre of the School. This will be Part B of the overall project.

The cost of the Corps' portion of the memorial entrance (Part C) is estimated at \$19,450, and will include the stone walls and matching pylons of Queenston limestone, the bronze figure of Mercury, the bronze lettering and the plaque, bronze lighting fixtures, floodlights and landscaping.

Department of National Defence developments funds (Part A) would be allotted to the project in the amount of \$21,250. This amount would cover such items as construction of roads, paving and curbs, sidewalks, storm drainage, water lines, flag pole and foundation, gate house, additional landscaping and fencing, electrical distribution and light standards.

Future Vimy Barracks development plans (Part B) would include expenditure by the Department of National Defence of a further sum of \$30,550, to continue the divided roadway into the central part of the School.

It will be necessary for the Corps itself to raise approximately \$20,000, less than half of the total cost of the initial entrance project; less than one third of the eventual total cost of the completed dual roadway. As it is hoped to have the construction of the Memorial and its setting carried out during the summer months of 1962, this amount will have to be raised by next May 1st.

A ceremonial unveiling and dedication will take place after all the work has been completed, possibly in conjunction with the forthcoming Diamond Jubilee of the Corps.

TOWN TALK

Congratulations go out to Mr. and Mrs. G. Simmons on the birth of their baby girl on March 15.

Carol Ann Wray, of No. 1 Guide Coy was presented with her all round cord on March 20 by the commissioner.

Once again the young ladies of the Young Peoples Association entertained residents of Griesbach with a tea and fashion show on Saturday, Mar. 10. The tea was catered for by ladies of the CWA and fashions were from Simpsons-Sears. This looks like being an annual event as it is always successful and the girls do a wonderful job.

Elsewhere in this issue you will see an advertisement for an Easter Basket tea and fashion show which is to be held by St. John's WA. The Easter baskets are a wonderful idea for busy mothers wishing to buy easter gifts for their children. They must be seen to be appreciated—beautifully decorated and filled with chocolate eggs, chicks, etc. There are also a number of cute novelties to delight the eyes of the young ones.

There is also a notice board on which we will advertise your need for a particular article such as a baby bed or pram, or a piece of sporting equipment.

Remember that all proceeds from the Swap Shop are given to the Scout, Cub, Guide and Brownie organizations in the camp, so do try and drop in soon.

Eggs in Technicolour

EDMONTON, Alta. — A dying European art is still being carried out in this country by an Edmonton soldier, Quarter-sergeant (WO 2) Joe Popp.

His hobby during off-duty hours is colouring eggs with intricate designs and colours of the rainbow.

There are many stories of where and when colouring eggs first originated. The Slavic race feel that they were the first to start this art centuries ago.

One version as to why it was done is when Christ arose from the dead, the people were overjoyed that they started to colour eggs, since an egg was the start of life. That is why it is said that eggs play such an important role at Easter.

QMS Popp, a kitchen supervisor at the Hamilton Gault Barracks in Edmonton, enlisted in the Army in 1941 and saw service overseas in the Second World War. He also served in Korea from 1953 to 1954.

Of Czech-German descent, he has been colouring eggs since he was a boy and finds this perfect relaxation. Using water colours it takes him seven hours to do one egg. He uses a special pen for wax writing and uses beeswax for his pattern design. When the design is complete, he heats the egg in an oven and wipes off the wax. Final touch is to coat the egg with shellac.

An ardent fisherman and hunter in the summer and fall, he's an ardent egg painter in the winter.

His wife Beth and three children, Leona 18, Edward 16, and Valerie 14, live at 13607 - 139 St.

GRIESBACH SGTS. LADIES CLUB

The monthly meeting of the Sgt. Ladies Club was held in the Sgt. mess Feb. 28th. Although our numbers were few due to the cold weather and other commitments a good time was had by all. The new executive elected and which took over in January were as follows:

President — Pat Yateman

Vice-President — Millie Dennis

Treasurer — Murice Wenker

Secretary — Phyllis Hidson

Entertainment — Bert Henderson

Food Convenor — Gladys Durant

Remember Ladies, it is the fourth Wednesday of every month so why not try to make a special effort to come out.

Our next meeting in March will be a Bingo so let's break all attendance records. Maybe you'll be one of the lucky prize winners and don't forget the refreshments with which we usually round off our social evenings.

We would like to extend once again a warm welcome to all new

families in Griesbach.

Quite a few men these days find it impossible to bring their wives home to dinner. She's already there.

13 COY RCASC

Socially, activities in the company have been quiet since the Christmas season. Even "The Twist" has failed to arouse the personnel of the company except when "twisting" out of work.

The CO however has been quite busy the past month visiting the detachments at Cold Lake, Calgary, Wainwright; attending conferences; inspecting RCASC(M) units of the Alberta Area in connection with the Commonwealth Shield Competition. 154 Coy RCASC(M) is the winner of Alberta Area and now must compete with other units in Western Command.

On the afternoon of Tuesday, 6 Feb., 62, Colonel L. E. Scartars, MBE, CD, Corps Director while visiting Western Command inspected all sections of the Company and met a large number of the personnel.

On Friday, 9 Feb., 62, RCASC WOs, Ssgts. and Sgts. of HQ Western Command, HQ Alta. Area and 13 Company RCASC entertained the Corps Director in the lounge of the Griesbach Sergeants' Mess. Lt. Col. D. A. Harper, MBE, SD, and Major E. Cooper, CD, were in attendance.

Our only posting and promotion in the unit during February went to Lt. D. A. Hardy who went to HQ Western Command, with pro-

motion to the rank of Captain effective TOS date.

Several of our personnel are presently attending courses: Corporal Ken Jackson Clerk RCASC Group 3 Camp Borden, Corporal Greg Chisholm Storeman Clerk Group 3 RCOC School Montreal, Sgt. Gerry Cherlet Office Management Course Camp Borden, Pte. Joe Cholock Jr. NCO Static Course Wainwright. We wish these personnel every success.

13 Company RCASC provided assistance to 154 Company RCASC(M) recently when Sgt. Joe Willard gave instruction to a group of Officers, NCOs and men on Petrol, Oil and Lub accounting.

Our congratulations to Lt. and Mrs. A. D. Dempster of Cold Lake — a Son John David born 14 Feb., 62, and to Cpl. and Mrs. E. L. Thibault a daughter Lindy Moreen born 15 Feb., 62.

In the world of sports, the "High Spots" of the Western Command Mixed Bowling League are not doing as well this year as last when they were successful in winning the MacCoshan Trophy for the top team of the season. The standing of the Company teams entered in the Western Command Mixed Bowling League this year are High Spots, Waggon Wheels and Staff Cars each with 32 points.

With our sports programme well under way, apart from the odd skinned shin bone at the Volley Ball sessions, and injured pride behind the brooms, we have had no casualties to date.

BOOK REVIEW

J. D. Salinger's refreshing little book "Franny and Zooey" is still up around first place in the "best-seller" list. The book actually consists of two short stories, originally published in the "New Yorker", two years apart. The principals are ex-"Quiz Kids", who continue to be extremely talented, but rather confused with life. The first story centers around Franny's bouncy college life and a rather disappointing attempt at a love affair, ending in a sort of religious obsession. The second novel covers only a day in the family apartment, but is packed with intimate description of the whole rather weird Glass family. Much of the entertaining discussion takes place in the bathroom, between Zooey and his mother, and the detail is so finely drawn that it draws the reader right in there with them. Great reams of Zooey's philosophizing flows from bedroom to bathroom to living room, and finishes in a strenuous (and successful) attempt by him to talk Franny out of her peculiar obsession. This is certainly a "different" book, and everyone seems to enjoy it immensely.

2 PPCLI NEWS

During the past month the operation of the battalion has returned more to normal. "A" Company group came back from Alaska and their chilly participation in Exercise Great Bear, and Captain Stutt's platoon-strength group came back from Fort Churchill and their user-trials on combat clothing.

Unit training has begun again with courses for drivers, signallers and pioneers being held here in Edmonton, and support weapons courses conducted in Camp Wainwright.

As is customary at this time of year all thoughts have been centered around the celebration of the Colonel in Chief's birthday on March 17th. A parade was held

in the morning at which the Commanding Officer addressed the battalion, and this was followed by the colorful, and unique, inter-company sports competition. The sports parade included many ingenious ideas and inventions on the part of the companies, and each company is to be congratulated on the effort they put into their displays.

In the sports events the PPCLI Depot won both the snowshoe tug of war and the sled race while Support company won the broomball competition. In the traditionally hotly contested, fiery, pugilistic and smoke-filled game between the Officers and Sergeants, the Sergeants won back the trophy with a 1-0 victory.

PPCLI OFFICERS' MESS NEWS

The biggest activity this month in the Officers' Mess has been the celebration of March 17th. The Officers' Doukhobor entry (with captive "mountie" CO) won an honourable mention in the parade, but the only victory they could claim in the Broomiloo against the Sergeants was a moral one. The Officers duly entertained the victorious Sergeant following the game. In the evening a highly successful mixed dinner and dance was held in the Mess. The highlight of the evening was an energetic twist in which most Officers and their wives participated. Sore backs and legs will undoubtedly be the outcome. The weekly Saturday Dining-In has been continued. The Mess welcomes back 2Lt. R. R. F. Burns for another tour in the Depot.

PPCLI SERGEANTS' MESS NEWS

Since last edition all the personnel are back from Exercise Great Bear and the Mess seems more like its old self. A Valentine's Dance was held on the evening of 17th February, and all attending enjoyed a very fine evening. On the 17th of March in the Broomiloo game between the Sergeants and the Officers, the Sergeants were, of course, victorious. A very fine Informal Mixed Dinner and Dance was held in the Mess in the evening.

We all join in welcoming Sgt. McIsaac and Sgt. Couture who are spending a short tour with the PPCLI Depot, from 1 PPCLI. The annual Games Tournament is well underway and the weekly Bingos are going well as usual.

PPCLI CORPORALS' MESS NEWS

The Corporals' Mess has spent another quiet month, although the return of our northern members has brought back attendance to its old scale. Our only large function has been the combined Corporal and Mens Junior Ranks Dance held to celebrate March 17th. The Dance this year was held in the PT Lounge which gave it a much more comfortable and intimate air. The decorations were again excellent and every one who attended had a very enjoyable evening.

PRINCESS PATRICIA'S CANADIAN LIGHT INFANTRY DEPOT

UNIT NEWS

The Depot is again working at full capacity after a gradual "easing off" for the last two months, when we started a platoon every two weeks. We are now back to one a week with fourteen platoons in training, another forming.

Despite platoons graduating in Victoria and tapering off to nil strength at Albert Head Camp by 1 May 62, the influx of recruits is such that a new all time high has now been reached with fifteen platoons training and one forming.

On 20 Feb. our instructional staff moves to Wainwright in preparation for the arrival of the first recruit platoon on 23 Feb., and which by 06 Apr. will have six platoons under training in Wainwright.

Our total parade state at this time is in excess of both our First and Second Battalions.

PERSONNEL CHANGES

Sgt. S. P. Ingham, our long time accounts Sgt. will be retiring to civilian life shortly. His posting is being taken by Sgt. J. L. Copeland, who until recently, was stationed in Winnipeg.

Cpl. S. L. Stothard, another long term member of the unit is being posted to 1 PPCLI, and Cpl. S. P. Ginther is arriving from 1 PPCLI as a replacement.

Another "trade" is being effected in our PT Staff, as Cpl. B. A. Burrows leaves for Fort Churchill to be replaced by Cpl. K. E. Haigh arriving from that same wintry outpost.

L/Sgt. Lukion is leaving the depot after seven years of training recruits on posting to 2 PPCLI. His replacement from Second Battalion is Cpl. N. C. Atchison.

Finally, in our Orderly Room staff, Mrs. Helen Walker recently replaced Miss Cheri Fisher. Mrs. Walker was promoted to this job after three years working in the Agriculture Department in the Federal Building in downtown Edmonton.

To our departing members we bid goodbye and good luck and to our new arrivals, we express the wish for an enjoyable tour with PPCLI Depot.

NEWS FROM

224 Wrksp. RCEME

Reports from the hospital indicate that Sgt. B. Kitchen has recovered satisfactorily from a knee operation. We hope to see Mr. Carl Elgstrand, Mr. Harry Logan and Mr. Steve Kashton back to work soon.

Curlers from the workshop and HQ 13 Company took Calgary by storm in the first RCEME Annual Bonspiel. They all came back winners. At least that's what they tell us. Bloodshot eyes and hangovers Monday morning confirmed the fun they had.

A shuffle has taken place in the Unit Orderly Room and HQ 13 Company. Miss M. Smith has left HQ to work at Command Signs. Mrs. F. Evans has moved upstairs to take over where Miss Smith left off. Mrs. M. Crerar has returned to 224's Control Office. Welcome back!

224 Workshop held its Annual Valentines Dance, 16 February, 1962. From all reports it was a howling success. There were some dandy games played. L/Cpl. R. Roenspiss was the door prize winner. Too bad we didn't have a prize for the best twister, Aya Brian? An A-1 job was done by Cpl. J. Cowan as M.C.

Congratulations are in order to Cfn. D. Jordan and his wife on the birth of their daughter.

Cfn. E. Hildebrand has joined the ranks of the doomed as a married man. Congratulations, Lillian and Ed.

S/Sgt. W. Marriott has returned from a month's holiday in the deep South and reports all is well and the scenery was something to behold, especially in some of those dimly lit night clubs around Las Vegas, San Francisco, Lake Tahoe and Los Angeles.

HQ 13 Company RCEME is awaiting the arrival of a new CO, Major F.E. Cooper, from CALE, England. He is expected to arrive in Edmonton approximately the 24 of March.

Anyone who wishes to take three easy lessons in skiing, see Sgt. J. Michniuk. Broken bones add to the excitement of the sport.

On their recent jaunt North, S/Sgt. R. Sales and Cfn. B. Hart reported that the weather in Alaska was no colder than here. It was warmer. So cheer up friends, Spring might be coming.

DEADWOOD

Deadwood, according to our TV set, is a ramshackle frontier town with a long dusty main street lined with hitch racks, situated in Kansas, Colorado, New Mexico or Wyoming. This is where the 'bad guy' in the black hat (he's a professional gunslinger) falls before the superior skill of the 'good guy' in the white hat who, in spite of his manual dexterity with a lethal weapon and obvious familiarity with sudden death, has somehow retained his amateur status.

Deadwood is that branch of an apple tree that the fruit grower watches for and removes. It takes up space, robs healthy growth of sunlight and is susceptible to disease and rot. The farmer knows that such branches are not only unproductive but are also a very real danger to the healthy fruit producers round about. Sometimes the entire tree is stunted, producing reluctantly and it's fruit is of inferior quality. The farmer roots out such trees and replaces them with healthy stock.

Deadwood is a collective noun used to indicate those people in a business, society or organization who are unproductive, unreliable and a drag on the operation. Every segment of society has its deadwood but the strong, healthy, growing organizations are those that have learned to prune their deadwood to a minimum.

Deadwood can be easily recognized in the Scout Movement and recognition of course, is a prerequisite to removal. It come in two sizes: Boys and Adults.

Deadwood boys are those who are just along for the ride.

They don't care how their uniform looks.

They never press a neckerchief.

They don't bother to do any Scout training.

They seldom pass a test.

They don't turn out to do Scout job.

They pay only lip service to the Law and Promise.

They are loud, unreliable and often discourteous.

They are deadwood.

Deadwood adults are often those who were talked into the job, perhaps by a person senior to them. They find the job distasteful, unrewarding, frustrating, etc. but hesitate to quit because they feel it may put them in a bad light with their superiors. The annoying and frustrating aspects of any community job (and there are many frustrations — in Scouts as elsewhere) cause some adults, particularly after lengthy service,

to wish they could get out from under. The job has become a chore. Some adults will do the job after a fashion but it must take second place to bowling, fishing, curling and shopping. Perhaps they have forgotten the Biblical command, "Whosoever shall compel thee to go a mile, go with him twain".

Deadwood can be cured only by removing it. At a recent organizational meeting the President of the Edmonton Regional Scout Council, Mr. Jack Pardee, told the meeting that if they, individually, ever found that they no longer enjoyed Scouting and that it had become a chore, THEY SHOULD RESIGN. This is good advice.

Deadwood boys do not resign for a number of reasons. Often their parents want them to continue because membership has a certain social significance (although the parents make no attempt to make his Scouting worthwhile). Often the boy remains because of simple inertia or the fact that his school chums belong. Boys sometimes reach an age where they feel that anything taken seriously is a reflection on their manhood. They improve their own stature in the eyes of their fellows by being a rebel. Some boys hang on for the promise of summer camp or the occasional Scout outing and very often may not realize that there is a better way to play the Scout game.

Deadwood boys can be pruned out by Scoutmasters and parents. At his investiture the Scout promises to do his best. This is the only yardstick. The boy does not have to be brilliant, tactful, a leader, smart, well mannered or possess any of the attributes with we hope he is endowed. Boys make mistakes and often learn while doing so. Boys occasionally sail into the doldrums and seem to be unable to find a wind to fill their sails. Boys can be stubborn, contrary, lazy, wearing and exasperating but these are not sufficient of themselves to classify him as deadwood. Ask yourself if he is doing his best. If the answer is No, he's deadwood.

Deadwood must be removed to provide for healthy growth among the many good Scouts in the Movement. Let us get back to the happy position where boys who WANT to be Scouts are ALLOWED to become Scouts IF they are prepared to play the game of Scouting as Baden Powell envisaged it. Scouting is not a constitutional right. It is a game where the players must be prepared to abide by the rules or get out.

D' PACK

Our congratulations to those Cubs who have received more proficiency badges. The Collectors badge for Ricky Ryall and Alan Bolster and both First Aid and Artist for Robert Goodman. Mark Tuttle and Michael Gilday have both received their First Star and Gene Pilote is proudly wearing his three year star. Parents of this Pack should consider turning out to do a job as assistant while Baloo is away on course. Contact your Akela, Cfn. Buckley CT.

What Are Rovers?

Rover Scouts are young men from the age of 16 to 21 years. Rover Scouting is the senior section of the Boy Scout Movement.

The Rover Scout Crew, as it is called consists of from six or eight members to almost any number. It is normally attached to an existing Scouting Group. Membership is open to those acceptable to Crew members.

The programme followed is as varied as the members wish to make it. Basically the emphasis is on each person preparing himself as best he can for his chosen life work. Thus, Rovers are encouraged to make their own choice and then apply themselves diligently to reaching this goal.

Through meetings of the Crew each is encouraged to share his knowledge with other Rovers, and the Crew becomes a place where a wide acquaintance with many fields of interest is developed.

Rovering is described as a Brotherhood of the Open Air and Service and accordingly the programme devotes time to outdoor activities such as mountaineering, hiking, camping and related subjects on to Service projects both within and outside of the Movement, such as the Red Cross blood donor service, the United Nations Festival, camp facilities development, etc.

Crew meetings are occasionally devoted to historical, industrial or other special interest visits e. g. City Council, School Board meetings, etc. designed to help Rovers acquire a better understanding of their own community and how they can play a role in its development.

Meetings and programmes contain plenty of fun. Sporting activities, inter-Crew challenge, social evenings and parties to which the girls are invited, add spice and zing to an already challenging and interesting Crew Life.

Rovers themselves conduct the business of their own groups,

Our thanks to QMS WO2 Poppo and his staff for a very good dinner.

In a brief ceremony after dinner Cpl. Lowry received the Scouter 'A' award at the hands of District Commissioner Dodd. Congratulations Cpl. Lowry and we wish you the best of luck in obtaining the Scout qualifications which follow.

QMS WO2 Will, ably assisted by Candy, his poodle, gave a demonstration of dog obedience that was particularly interesting to all children who have dogs. That reminds us of the joke about Bill coming in and saying "It's raining Cats and Dogs" and Bob replied "I know, I just stepped in a poodle."

Capt. Davidson and his banquet committee are to be congratulated on a good piece of organization which resulted in a very pleasant evening for all concerned.

plan their programmes and make all arrangements, with the help and guidance of their Rover Scout Leader, who serves as a resource and a counsellor.

Provincial, National and International activities are held at regular intervals, where Rovers may meet their counterparts from many communities in Canada, and many other countries of the world. These events were called Moots, and involve all types of activities. The next world Moot will be held over the Christmas season in Australia.

The Edmonton Rover Round Table, composed of representatives from all the Edmonton Rover

Crews provides a meeting place for the exchange of ideas, information and a co-ordinating body for the Rover Crews of the city.

Rover Scouting helps a young man become a full fledged citizen, prepared, willing and able to assume a responsible adult role in whatever community in which he lives.

PAKISTAN TO EDMONTON . . . The international aspects of the Boy Scouts was emphasized at Griesbach Barracks when World Scout Taqi Mohsin, from Lahore, West Pakistan, visited Canadian Army scouts at the big Army camp. Canada is the sixty-ninth country he has visited and he hopes to include Hawaii and Japan before he gets home in late 1962. From the left: Sgt. W. F. 'TEEN NEWS

As of March 15, the Griesbach Young Peoples' Assoc. has \$120.19 in the bank and on hand. The club has been breaking about even on dances so it was the fashion show which boosted the total.

A quick resume of the season thus far shows that a dance has been held usually every two weeks, most often with an orchestra, except during exam time. Each bond the club has hired so far has cost from \$65. - \$70.00. Then of course there are incidental expenses such as refreshments and decorations. The Executive feels that by skipping every second week there is less of a strain on the pocketbook and results in patrons looking forward to each dance a bit more than if one were to be held each week, as has been done in the past. On the whole crowds have been large and well behaved with virtually everyone enjoying the entertainment provided. This, coupled with the best prices in town have given the club an enviable record.

This year many parents have been found willing to help out as chaperones, a departure from previous years, and we are very grateful to each and everyone for their interest.

Our paid membership is 67 persons. Not only does the purchase

of a membership mean individual savings during the year but it also gives the club a sufficient bank balance to operate efficiently. The level of funds thus attained is easily maintained while charging low admission prices to members and non-members. Incidentally the club's members have saved the price of membership by attending only the first four dances.

We were all sorry to see Vicki Pash, the treasurer, posted to Ottawa. However, the vacancy has been well filled by Donna Mooney. Doug Arril, we are sorry to say had to be replaced due to illness. Roger Irwin took his place and has been doing very well.

A dance will be held with the WANDERERS playing on March 30. A semiformal dance will be held during the Easter Holidays on Wed., April 25. Those fabulous SARATOGAS will provide the music.

FASHION SHOW

The Fashion show presented by the teens under the sponsorship of Simpson-Sears was a tremendous success again this year. A crowd was on hand to view the new teen fashions on March 10. Our special thanks to the C.W.A. for their wonderful assistance as regards the tea which was held in conjunction with the fashion show. We also wish to thank the girls who did such a good job a

tea servers during the show.

The fashion convenors were Lynn Eberts and Trudy Luscombe. Lynne also did a good job as commentator while Trudy and Donna Mooney were the Hostesses.

The fashions were by Simpson-Sears and Coiffure Elizabeth provided the hair styles. Makeup was by MaxFactor.

The Y.P.A. models were: Rose Marie Aucoin, Sharon Barry, Joanne Budd, Irene Chamberlain, Ann Hardage, Shirley Harris, Frances Karney, Rose Marie MacLellan, Lynne MacKerracher, Carol Meeks, Heather Mills, Shirley Pelletier, Maureen Ryan, Brenda Stewart, Frances Woodcock, and Carol Young.

The door prize was won by Mrs. Hardage.

EASTER

The image of the Cross is stark against the glorious horizon of Easter and inevitably at this time of year our thoughts are impelled towards that which is central to our faith — the Cross and Resurrection of Christ. In the Cross of Christ we see clearly revealed agony and sacrifice, hatred and love, destruction and healing faith. Willy-nilly we are drawn to it by a tremendous attraction. It is part of our heritage, part of our lives.

Basicall we are not worshippers of Christ upon the Cross but rather of the empty Cross for if Christ had not risen from the dead our faith is in vain. The glorious proclamation "I know that my redeemer lives" stirred the Disciples to action and still the power that stirs us today. This is glorious news! This is the faith that we proclaim, this is the transforming power of people's lives. In his poem "The Everlasting Mercy" John Masefield records the conversation of Saul Kane, a drunkard who suddenly had the glory of Easter break upon him in this way —

"O Glory of the lighted mind
How dead I've been, how dumb, how blind.
The station brook to my new eyes
Was babbling out of Paradise;
The waters rushing from the rain
Were singing "Christ has risen again."
I thought all earthly creatures knelt
With rapture from the joy I felt"

May Easter bring to us all this same joy and revived faith.

CONFIRMATION SERVICE

The United Church Confirmation Service will be held on Palm Sunday, 15 April at 7:30 p.m. The Congregation is asked to make a special attempt to attend and so support those being confirmed with their presence and prayers.

St. John's Chapel Women's Auxiliary Report

It has been quite a busy month for the ladies of St. John's Chapel Women's Auxiliary. We have had several new members and also several of the ladies who attended our meetings previously have returned, which always makes us very happy.

Following our business meeting on February 27th, two most informative films were shown on the care and treatment of Arthritis. Everyone who viewed these agreed that they were very interesting.

On February 28th several of our members accepted an invitation from the CWA to attend a Social Evening. I might add that a very enjoyable time was held by all and I am sure that everyone left with that wonderful feeling of contentment which comes with spending an evening with friends.

At the close of the meeting on March 13th Colonel Millen showed slides of the Holy Land. This portion was opened to the entire Camp as we felt that much was to be gained from seeing these slides and also from hearing Colonel Millen's talk. Following the showing of these slides refreshments were served in the Conference Rooms.

Everyone is beginning to get quite enthused and excited about our Easter Basket Tea which will be held in the Auditorium of No. 1 School from 2 to 4 p.m. on the

14th April. There will be Easter Baskets and hot cross buns for sale and also a showing of the latest fashions from Johnstone Walker. Have you seen the Easter Baskets that have been made up for sale? The ladies who are doing these baskets are to be commended on their fine efforts. The prices range from 25c to \$1.50 and there are cups and saucers, egg cups, baskets and many more novelties all filled with eggs. If you are interested in ordering any of these, please call Mrs. Harmer at 479-6094 or Mrs. Jarvis at 477-5963.

Remember our meetings are held at 8 p.m. on the second and fourth Tuesdays of each month in the St. John's Chapel Conference Rooms. Some of the events planned for the next few weeks are: a visit from Mrs. Peterson who will speak on the Edmonton Ex-Servicemen's Children's Home, a demonstration of garden flowers, films about the Indian missions of Ludhiana and Vellore and so many more, so come and join us, won't you?

Our Lady of Fatima News

Preparations for the great Feast of Easter are well under way, and both Junior and Senior Choirs are working extra hard for their part in the special Holy Week services. The Senior Choir will sing at Midnight Mass, and on Easter Sunday morning the Junior Choir will sing the hymns that they have been practising so faithfully.

Attendance at the weekday Lenten services has been encouraging. If you have not made a start in your devotions during Lent, why not resolve to make use of the time that is left before Easter. The weekly bulletin carries

the hours of all the devotions, and with a little careful thought and planning, it should not be too difficult to attend at least some of the services.

THE WORLD IS MINE

Today, upon a bus, I saw a lovely girl with golden hair. I envied her, she seemed so gay, and wished I were as fair. When suddenly she rose to leave, I saw her hobble down the aisle; O God, forgive me when I whine. I have two legs. The world is mine.

And then I stopped to buy some sweets. The lad who sold them had such charm.

I talked with him — he seemed too glad—if I were late 'twould do no harm.

And as I left he said to me: "I thank you. You have been so kind. "It's nice to talk to folk like you. You see", he said, "I'm blind." O God, forgive me when I whine. I have two eyes. The world is mine.

Later walking down the street, I saw a child with eyes of blue. He stood and watched the others play; it seemed he knew not what to do.

I stopped a moment, then I said: why don't you join the others, dear?" He looked ahead without a word, and then I knew — he could not hear.

O God, forgive me when I whine. I have two ears. The world is mine.

With legs to take me where I'd go —
With eyes to see the sunset's glow —
With ears to hear what I would know —
O God, forgive me when I whine. I'm blessed indeed. The world is mine.

FAMILIAR FIGURE PASSES

On March 9, Nels John Nelson, 5514 - 110 St., passed away after a short illness, at the age of 51.

Bowling as a Recreation

Are you getting fat and paunchy? Are you often mean and raunchy? Has your PT become a burden? Has your 5 BX began to pall? If so, read our little story, And go to the bowling hall.

Amongst training and sports authorities, it is a recognized fact that a recreational aspect to these activities is important and desirable. In plain words, the participant gets more from the activity if the fun elements is present.

Are you an old youngster or a young oldster? It really doesn't matter, for if one can crawl or totter to the foul line, and roll that old sphere at those little old pins, the possibility always exists that a STRIKE may occur.

We are not saying, intimating, all concerned.

or even hinting that bowling, can or will replace Battle PT. We ARE stating that bowling is a healthful, relaxing, and highly competitive sport, which can be enjoyed by entire families for a small expenditure.

Volumes have been written on the care and education of youngsters especially the teen-age variety; all designed to channel those abundant energies into healthful pursuits during leisure time. May we suggest that those hours from 4 to 6 o'clock, before those pleasant excursions into homework, might well be spent bowling; a healthy, clean and pleasant recreation for the mental, moral, and physical betterment of

all concerned.

On the Broom

Members of the Griesbach Ladies Curling Club have been so busy bonspieling that the two remaining games in the regular schedule had to be postponed until late March. A final report of the year's activities will be in the April edition of The Bugle.

In curling circles, Griesbach Gals are making a name for themselves as good curlers and good sports. At the Lancaster Park bonspiel, three rinks from our club played the three final games. Ingo Freeman won 2nd prize in the 'A' event, and Ethel Query won 2nd prize in the 'B' event. Both games went right to the wire. Anna Hamilton had no difficulty winning her game to take 1st prize in the 'C' event. The Lancaster Club put on a good spiel and went all out in the hospitality department.

The G.L.C.C. held its first annual bonspiel March 13-16. Congratulations go to Bessie King of the Griesbach Business Girls who won the Grand Challenge Trophy donated by Security Storage. Mem-

bers of her rink were: third Liz White, second Pearl Oaks, and lead Doreen Paquette. Runner-up in a game that came down to last rock was Anna Hamilton of the G.L.C.C. Playing with her were: third Vera Hitchman, second Mary MacAlpine, lead Ginger Johnston. Out-of-camp rinks were entered from Ardrossan, Gibbons, Lancaster Park and St. Albert. 'B' event was won by Ev Jeffery from Lancaster Park; 'C' event was won by Jessie Sinclair also from The Park; and 'D' event was won by Doreen Meisner from the G.L.C.C. Highlight of the activities, at least for the losers, was a turkey dinner followed by "ham and corn" entertainment in the lounge of the P. T. Building, Hamilton Gault Barracks.

It is impossible to personally thank all those who helped make this bonspiel such a success. It was a major undertaking for a young club, and much outside assistance was needed. All the executive can say is THANK YOU!

Pee-Wee Hockey

The 1961-62 Hockey season has been completed for the B and C Leagues.

All teams in both leagues played ten games in the regular schedule.

The B League Semi-Finals commenced on 18 Feb. with the Rangers meeting the Redwings. The Rangers won the best two out of three games and advanced into the finals. In the other Semi-Final of B League Maple Leafs met the Canadians, with the Leafs winning the best two out of three games and advancing into the finals against Rangers.

The final series was a best three out of five games with the Rangers winning the best three but not without a good fight from the Leafs who played very good hockey under the coaching of Ssgt. Dodd. Sgt. Cunningham's Rangers ended up in the top of the league at the end of the regular season and proved themselves to be the superior team by winning the B League shield.

The C League semi-finals commenced with the Cougars playing the Totems. The Cougar won the best two out of three and advanced into the semi-finals. The second half of the C League semi-finals was the Flyers playing the Comets with the Flyers winning the best two out of three and advancing into the finals against Cougars. The final series of the C League was very exciting due to the improved Cougar team who made the last play off spot to meet the Flyers who ended the season in first place under the coaching of Pte's West and Coutour. The Cougars coached by Capt. Wray and Sgt. Hudson won the final series and the C League Shield, all three games were very close and it was anyone's game until the last whistle.

The A League have completed their regular season game and the Semi-Finals. The Buccaneers and Warriors met in the Semi-Finals with the Warriors winning the best two of three. The Commandos and Warriors met in the finals and have played only one game with the Commandos winning, the remaining two games will be played at the Edmonton Gardens when available, which should be the first week in April.

We would like to give special thanks to all our Coaches, Assistant Coaches, and Officials who put in a lot of time with the boys and did a wonderful job.

Have you heard about the star football player who dropped out of college. He says that he got tired of his dad writing him for money.

Alberta Area Army Curling Champs

ALBERTA AREA ARMY CURLING CHAMPS . . . A rink from No. 17 Regional Ordnance Depot, RCOC, won the Alberta area curling championship over 19 other Army rinks from Calgary, Edmonton and and Camp Wainwright. Here, company sergeant-major (WO 2) Dave Louden, skip, receives the championship trophy from Brig. J. S. Ross, Alberta area commander. From left are: Private Moe Wilson, Quartermaster-sergeant (WO 2) Lyle McIntosh, Brig. Ros, skip Louden, and Private John Schulz.

ALBERTA AREA CURLING

The playdowns to determinate the two teams to represent Alberta Area for the Western Command Championship at Camp Shilo were held in the Griesbach rink on 9-10 Mar., 1962. The competition was keen with four of the six teams being tied after one round-robin play. A play-off was therefore necessary and by the luck of the draw the two Wainwright teams rounded out the play-off. The winners were then required to play one sudden death game to determinate the Alberta Area champion.

The Alberta Area champion team was comprised of the following members of 17 ROD, RCOC:

CSM (WO 2) LOUDON, DF
QMS (WO 2) McINTOSH, LA
Pte. WILSON, M
Pte. SCHULTZ, J

The other representative team to the Command Championships are from Camp Wainwright:

Sgt. JAMIESON, RR
Sgt. SIMONIN, MD
Ssgt. BOSWELL, HC
Sgt. SCHULTZ, F

Nineteen rinks from Griesbach, eighteen from Wainwright and eleven from Calgary vied for the opportunity to represent Alberta Area by play-offs at their local rinks.

Brig. J. S. Ross presented CSM Loudon with the Alberta Area trophy and miniature trays for each member of his rink. Each member who will represent Alberta at Camp Shilo was also presented with a curling sweater bearing an Alberta Area crest.

Two good exhibition fights were run off following the Card —

Pte. Pompana (2 PPCLI) vs Rfn. Duncan (2 QOR of C).

Rfn. Kozub (2 QOR of C) vs Pte. King (2 PPCLI).

The recruits from the Regimental Depots Princess Patricia's Canadian Light Infantry also put on a first class milling contest during the evening.

On behalf of the boxing club we wish to thank the Regimental Depot, and Second Battalion Princess Patricia's Canadian Light Infantry, all the attending officials, the Women's Auxiliary and the boxers themselves for their wonderful efforts in making the card such a success.

The winning numbers of the perfume draw were: 65 - 107 - 138.

Winners are requested to bring their tickets to Major Osland, HQ Western Command and claim their prize.

PPCLI Sports

Four unit teams have been very active during the past month: The boxing team, ski team, hockey team, and volleyball team.

In the Western Command Ski Championship held at Banff 2 Lt. Bloom, Pte. Berg, Pte. Anderson, Pte. Harrison and Pte. Lavallee represented the battalion. Bloom placed third in the down hill, fourth in the slalom, and second in the combined event. Berg placed first in the slalom, Anderson placed second in the biathlon, and, with an astonishing jump of

A Toxophilite's Notes

What a wonderful month March has been for those who enjoy and practice Archery.

The Griesbach Archery Club has now formed an extremely fine Junior Club consisting of boys and girls 13 years and over. This junior set has been very generously supported financially by the Griesbach Association and we are sure that the Association's optimism with regards to Archery will be justified.

It is also interesting to note that a league of archers has been formed with the Griesbach Archery Club the sponsoring member. The other members of this league are — Edmonton Archers, Hillcrest Archery Club, Sylvan Lake Archery Club and Lethbridge Archery Club. Needles to say we

BOXING

Saturday, 17 Mar., 62, saw a well run boxing card between Great Falls, Montana and Alberta. This took place at the Sales Pavilion downtown and was well supported.

Two boxers from the 2 PPCLI really stole the limelight —

Harry Clearsky with a decisive win over Jack La Mere (Montana) and Harvey Reti on a lopsided win over John McGrandle (Edmonton).

Congratulations on two well fought bouts are extended to Clearsky and Reti.

PMQ INFORMATION

(Continued from page 7) longer be tolerated.

Corrective disciplinary action will be taken against those persons who intend to completely ignore PMQ Instructions: Dogs will be impounded and disciplinary action taken against the owner concerned under Section 118 of the National Defence Act.

There will be no further warnings in this respect and any further manifest disregard of this regulation will result in the permanent barring of the dogs concerned from camp in addition to any disciplinary action that may be required.

It should be pointed out that this camp is located in the County of Sturgeon and loose dogs found by Sturgeon authorities outside of Griesbach may be summarily disposed of without warrant whether on one's private property or not. (Sturgeon By-Law No. 40).

feel very good about being the first to sponsor the idea of a league in Albert and from all appearances so far, this experiment will be a huge success.

It is also worthy of mention that this Club was indeed honoured by being requested to provide half-time entertainment for the Griesbach Boys Boxing Tournament held on the 16th of March. The members involved were certainly happy to provide the shooting and we believe the spectators enjoyed watching.

This article could continue endlessly about the merits of this fine sport. However, space will not permit us to say more than that spectators are always welcome and so are potential new members. This Club shoots every Monday and Friday at 8 P.M. in the PPCLI Drill Hall. Won't you come out?

To Attend Kneller Hall

EDMONTON, Alta. — Band Staff Sergeant Bernardus Bogisch of the Princess Patricia's Canadian Light Infantry band will be the first Dutch bandsman to attend the Royal School of Music at Kneller Hall, London, England. He will leave for England in April.

He was one of the first Dutch bandsmen to enlist in the Canadian Army in The Hague, Holland in 1953. Since that time he has played in the Royal Canadian Artillery band in Halifax from 1953 to 1956, in Korea in 1953 and in Germany in 1955. He has been with the PPCLI band in Edmonton since 1959. S/Sgt. Bogisch became a Canadian citizen in 1960.

Upon graduation from the course, which takes three years, he will become a Director of Music in the Canadian Army, this will be a first for a Dutch bandsman.

S/Sgt. Bogisch worked professionally in Europe with a group specializing in East-European folk music under the direction of violinist Veres Lajos. He also played in his school orchestra in The Hague. His instruments are the piano and French horn.

His wife Lucia, also Dutch, lives at 14811 - 104 St., Edmonton.

ROSSLYN SHOPPING CENTRE

Although no official opening date has been announced as yet, it is expected that the new Rosslyn Shopping Centre, at 97 Street and 137 Avenue will be in operation in May.

The Centre will contain the Rosslyn Hotel, The Odeon Bowling Alley, the Bank of Nova Scotia, Tcmboy Grocery Stores and a beauty parlour. There is also the possibility of a restaurant opening in the Centre.

Bugle readers will be kept informed of future developments at the Centre.

PHILATELIC CORNER

In February the United States astounded the world by placing Col. Glen into orbit in his space capsule. To commemorate that auspicious occasion the United States Postal Department issued the "PROJECT MERCURY" stamp.

To mark progress in the annals of the Griesbach Stamp Club an enthusiastic executive was elected and installed into office at the March 12th meeting, comprised as follows:

1st Pres. — Capt. N. Shymko
2nd Pres. — Mrs. D. Church
Jr. Pres. — Miss N. Mann
Secretary-Treasurer — WO 2 L. Schoonover

Ass't Sec-Treasurer — Stewart Brady

Ass't Treasurer (Jr.) — Miss Glennis Bunning

Recorder of Club Activities (Sr.) — Mrs. L. Schoonover

Recorder of Club Activities (Jr.) — Miss Margaret Taylor

Supervisor of Sales — Sandra King

Auction Manager — Captain N. Shymko

Ass't Auction Manager (Jr.) — Cpl. J. McGrath

AA'st Auction Manager (Jr.) — Miss Elizabeth McDonald

Last month you may recall I inserted a notice of the Edmonton Stamp Exhibition to be held at the Corona Hotel on the 16-17 of March. C. W. Christian, La Mirada, Calif. won the Grand Award at the exhibition for a specialized collection of the U.S. one cent stamp of 1861. An exhibit of British North American provinces stamps won a gold medal for F. S. Evans of Sedro Woolley, Wash. The Rt. Rev. C. H. Doyle, Highland Falls, N.Y. won the silver medal with his collection of stamps of Tannu Tuva.

In conjunction with the exhibition some 400 lots of stamps were offered for sale at auction. Apparently the bidding was quite brisk since the Edmonton Stamp Club realized over thirty-two hundred dollars in commissions.

POSTED TO CONGO

Sergeant Andre J. E. Millier of Montreal will be posted to No. 57 Canadian Signal Unit in the Congo in early April. A member of the Royal Canadian Corps of Signals, Sgt. Millier has been employed with Alberta Signal Squadron in Edmonton since 1960. A former member of the Royal Montreal Regiment, he enlisted in the Signals in 1949 and since then saw service in Korea and Japan from 1953 to 1954 and in Indochina with the United Nations Truce Supervisory Organization from 1954 to 1955.

RETIREES

S/sgt. Howard Garnet of Winnipeg will retire from the regular army this year after completing over 22 years of service. A member of the Royal Canadian Army Service Corps, S/sgt. Garnet enlisted in 1939 and saw service in the United Kingdom and Italy during the Second World War. He was aboard the ship Santa Elena when she was torpedoed in the Mediterranean in 1943. He also saw service in Japan from 1951 to 1952. S/sgt. Garnet has been employed with Command Records since 1952. Leaving Griesbach in April, he and his wife Edna will live at Sooke, B.C.

SECONDED TO EXTERNAL AFFAIRS

OTTAWA. — Lt. Col. Stanley C. Waters, of Edmonton, Alta., was promoted to the rank of colonel Mar. 12, and seconded to the Department of External Affairs for special employment with the United Nations Military Observer Group in India and Pakistan, Army Headquarters announced recently.

A former commanding officer of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, Col. Waters has held the appointment of Canadian Liaison Of-

ficer with the United States Marine Corps School, Quantico, Va., since August, 1959.

Col. Waters attended the University of Alberta before enlisting in the Canadian Army in 1941, and as a member of the joint Canadian-American Special Service Force, he served in the U.S., the Aleutians, North Africa, Italy and Northwest Europe. DID YOU KNOW THAT...

... When a person is convicted under the Criminal Code of Canada for driving a motor vehicle or having the care or control of a motor vehicle while his ability is impaired by alcohol or a drug, his operator's license is automatically suspended for six months for a first offence or such longer period as the Court may order, and for one year for a second offence or for such longer period as the Court may order. There are no discretionary powers in the Act. The license is automatically

suspended by statute.

... A conviction for driving at an unreasonable rate of speed may result in the suspension of your operator's license.

... Leaving the scene of an accident, or failure to return to the scene of an accident, or neglecting to report an accident, is an offence and may result in the suspension of your operator's license.

... A policeman's direction always takes precedent over any form of traffic control.
